Dear Ken & your wonderful team

Re: - Wedding on the 9th of July 2005

I apologise for the delay in sending you the CD of the pictures of the wonderful marquee and tunnel you provided for us at our wedding in July.

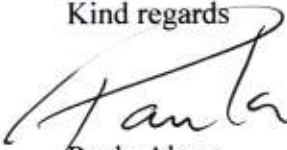

Myself and David want to thank you and you team once again for all your hard work and dedication in proving us with a truly outstanding marquee. I think every guest was amazed at how spectacular a marquee can look when fitted correctly by a company that believes in attention to detail like CK does.

Thank you also for recommending Rowley's Caterers – Paul and his team like yourselves were fantastic and I would thoroughly recommend Rowley's to anyone....the food & service was out of this world!

I am hinting to David that I would like a big 40th party in August 2007 and would like another marquee albeit not quite on the same scale as the wedding, so if this happens CK Marquees will be getting a call!

I hope you enjoy the CD.

Kind regards

Paula Ahern
